ELEVATORS

ELTEC HLB

The Elevator Specialists

We're passionate about supplying Australians with the most beautiful and functional all-electric elevators. As innovators in this space for more than 10 years, we have exclusive access to the best electric lifts from our Italian manufacturer, Eltec. Our superior, more eco-friendly elevators are known for their reliability, and our range of residential products comes with an industry-leading 7-year warranty.^

Join us as we continue to redefine the elevator industry in Australia.

Latest Technology

Our industry-leading elevators are made with the latest cutting-edge technology.

Safety

Our elevators meet the strictest safety standards.

Environmental

Our range includes fully electric, eco-friendly, and cost-efficient elevators.

Experience

Our group has installed thousands of lifts across Australia.

Quick Installation

You can rely on our team for a quick and seamless installation process.

Full Service

From manufacturing, to installation and ongoing maintenance, we provide a complete elevator service.

^Terms and Conditions Apply.

Eltec HLB

The Eltec HLB is our most popular elevator. This luxurious product is known for its adaptability; each element of the elevator can be customised, and the cabin size scaled as required. Choose between our brilliant geared or gearless motor options.

Electric Elevator / European A-Grade Energy Class

Customise Your Elevator

Create a truly unique elevator experience by choosing from an extensive range of doors, wall panels, flooring, control panels, ceilings and more.

Doors	● Wall Panels	Flooring	Control Panels	Ceilings	+

Structures

The Eltec HLB can be easily paired with our innovative AU Shaft or iconic TA Shaft. These structures are a brilliant alternative to masonry shafts and help avoid major structural works and costly shaft-building errors.

Elevator Shafts

AU Shaft

A cost-effective elevator shaft specifically designed for the Australian market. This aluminium structure can be adjusted to size and easily clad by builders.

TA Shaft

Our iconic glass elevator shaft, which can be customised in various colour options, including the glass panels.

Swing Door (MS)

The following specification details are for the Eltec HLB with a swing door configuration in a masonry shaft (MS). Specific plans will be provided per project; please do not build to the following specifications.
